**RE GHOSTPRACTICE**

We have been using GhostPractice for over a year now.

Our billing and accounting for time spent on matters has been much more accurate and effective. This has resulted in fewer queries and clients paying their accounts faster than they did in the past.

The reports have enabled all the Directors to access the financial information whenever necessary and to be better prepared for meetings to discuss the finances and planning.

Our firm is definitely better off as a result of the installation of GhostPractice and it has made our lives much easier.

Yours faithfully

R H JENKINS
